In Marketing Your Greatness”
Platinum Coaching Program Application**

Describe your current business as it is right now?

What do you love about your business?

If anything was possible, what are the three things you would change about your business?

“Abundance and Opportunities In Marketing Your Greatness”

Platinum Coaching Program Application

How committed you are to your business dream- being willing to be open to new ways of being and try on new ideas. (On a scale of 1-10, 10 being very committed, 5 somewhat, and 1 not being committed at all)

My business and financial situation is:

- I am still struggling to make a profit. I am not creating the cash flow I know is possible. I am ready for a change.
- I am doing okay. I have up and down months. I know there is more I can do to change the situation but don't know what?
- I am making a leaving. My cash flow is consistent but I am not satisfied with how much I am making. I know there is more opportunity I haven't tapped into yet.
- I am successful and thriving. I make enough income each month to take care of my financial needs, although I am working harder than I would like in order to keep generating the income.
